

OIL SANDS

Est. 1985

E X P O

CELEBRATING 40 YEARS

SEPTEMBER 10 & 11, 2025

2025 post-show report

Our 40th Year! Your Industry. Your Expo.

2,034

Attendees

Up 20% over 2024

175+

Exhibiting Companies

Participated

60

Speakers

From across Canada

80

Presentations

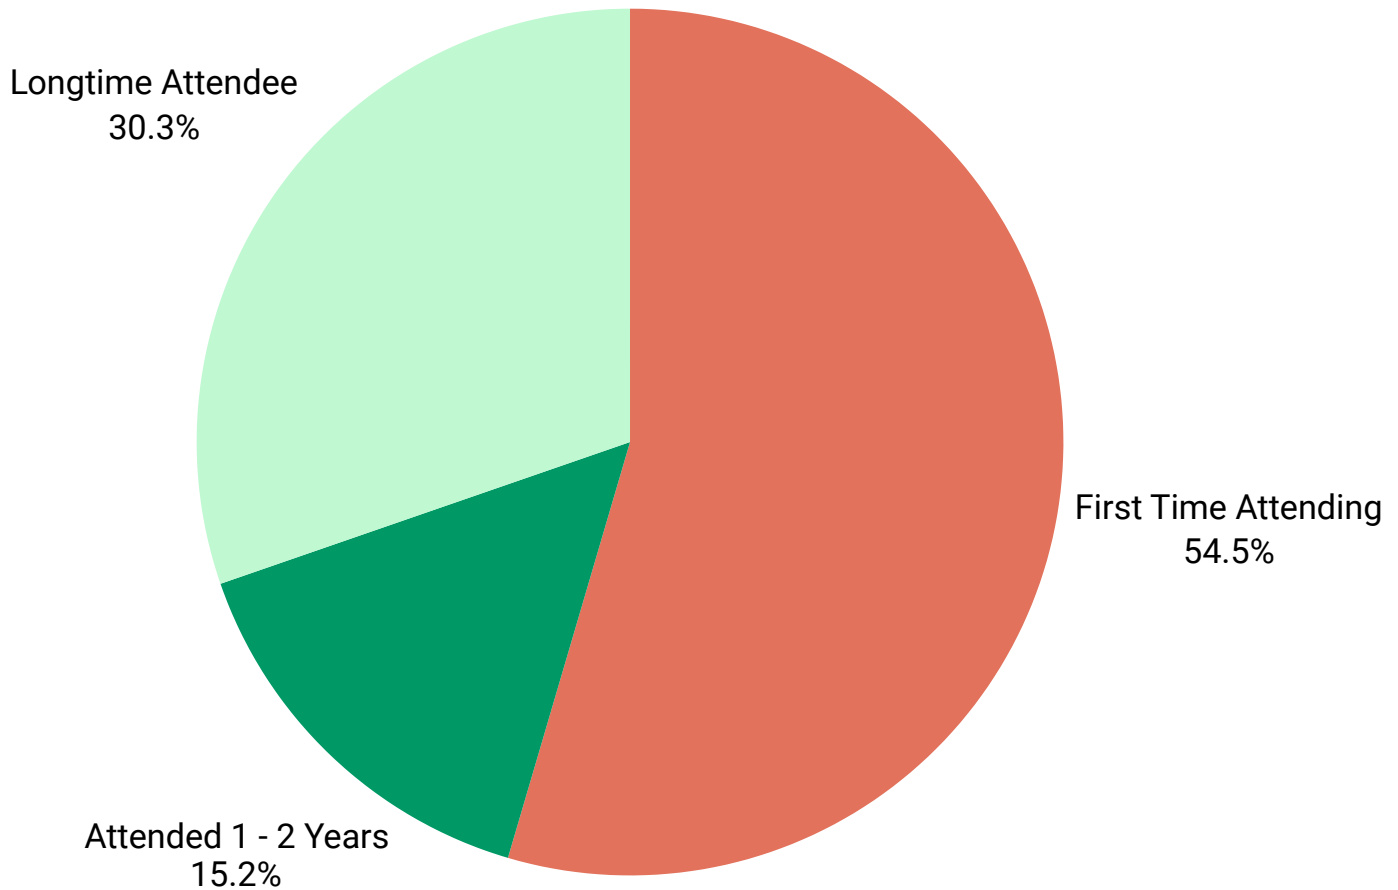

From Keynotes and Speakers

45

Sponsors

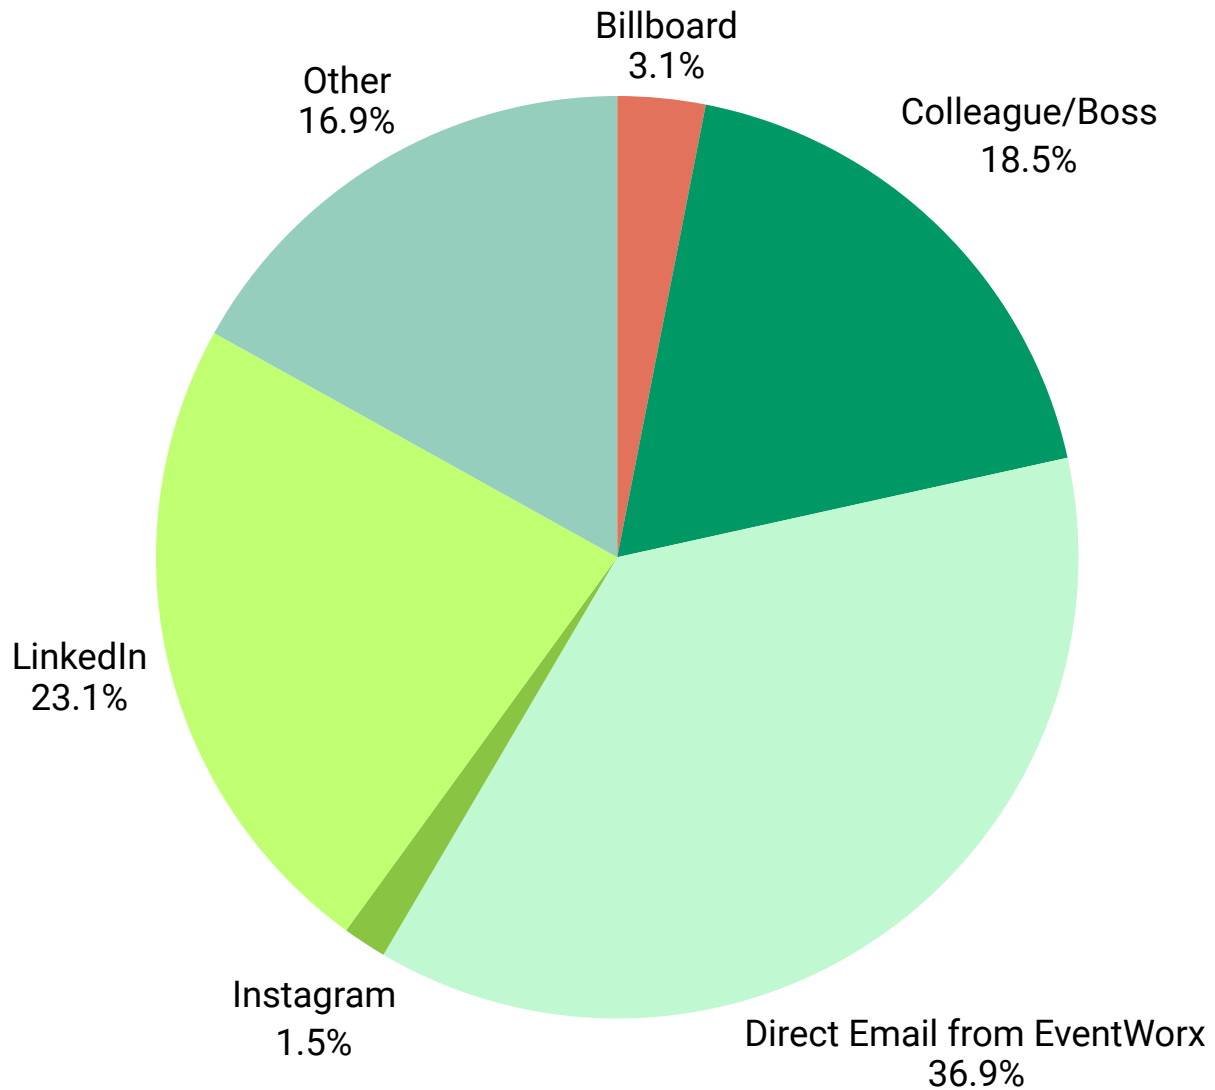

Participated

Attendee Profile

“Keep up the great work, it's a challenging time in our industry and your efforts did not go unnoticed.”

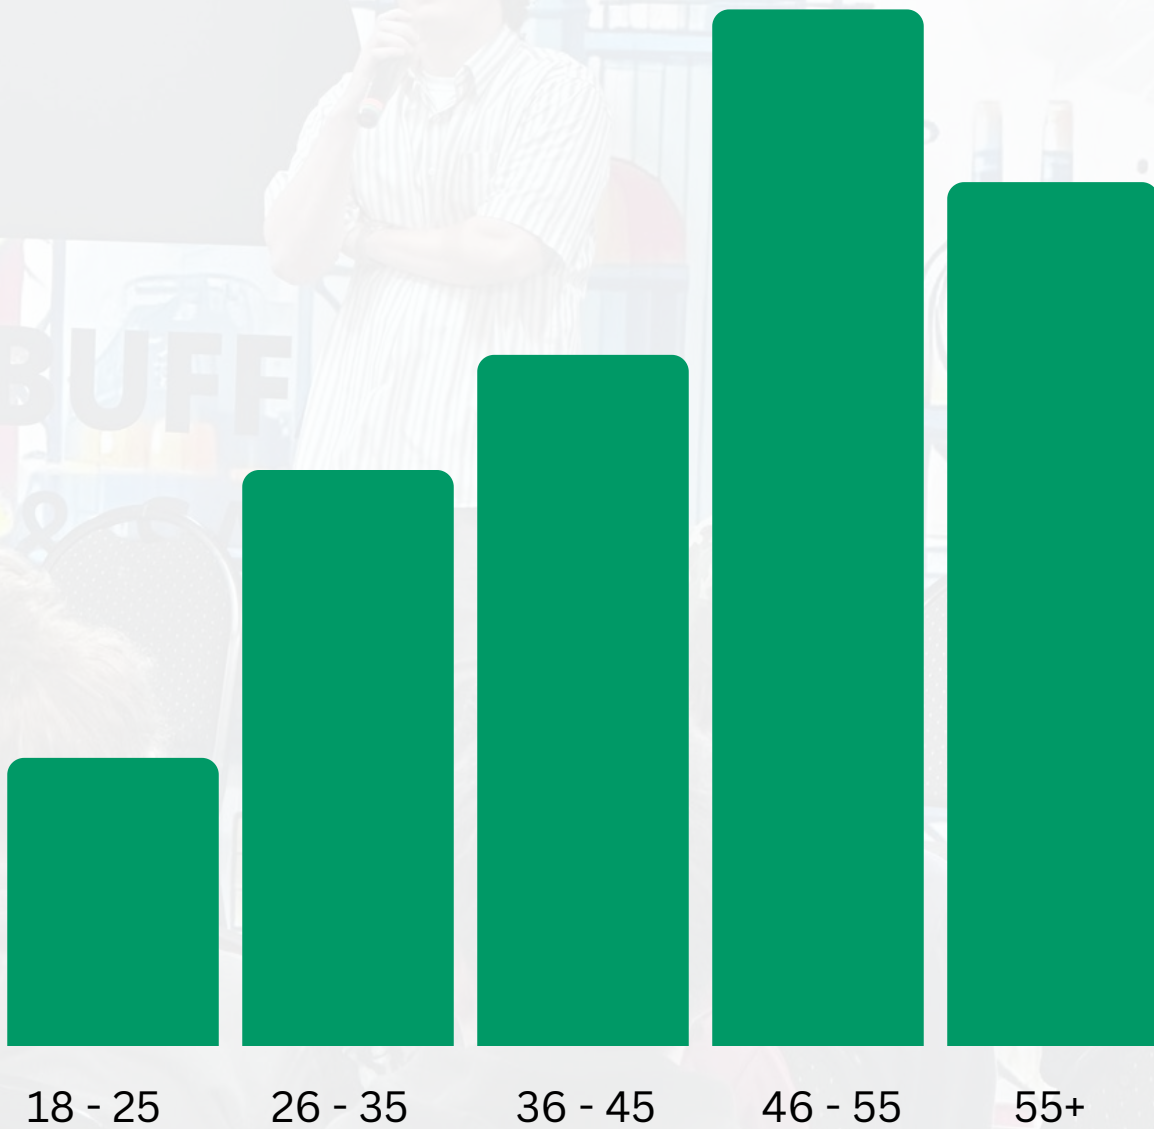

How Attendees Heard About the Expo

Other Sources:

- United Way
- Google searching
- Keyano College
- WBRIN
- Seen at Mac Island

Attendee Age Groups

Ratings

86%

Of Attendees

rated the quality of Exhibiting
Companies as Excellent

93%

Of Attendees

rated the quality of Speakers
as Excellent

85%

Of Attendees gave Oil Sands Expo a 5-Star Rating

Key Job Roles

Administrator	Syncrude
AIM advisor	Suncor Energy
Apprentice Steamfitter, Pipefitter	Syncrude
Asset Manager	Fort McKay Alcor
Business System Analyst	Canadian Natural Resources
Chief Power Engineer	Connacher Oil and Gas
Community Investment	Suncor Energy
Construction Coordinator	Suncor Energy
Construction Manager	Suncor Energy
Continuous Improvement Coordinator	Imperial Oil
Coordinator, Planning & Scheduling	Cenovus
CRO	Suncor Energy
Data Scientist	Imperial Oil
Development Engineer	Suncor Energy
Development Lead	Suncor Energy
Director	Fort McKay Alcor LP
Director of Sustainability	Fort McKay First Nation
Director, Communications	Suncor Energy
Director, Supply Chain Management	Suncor Energy
Dispatch and Productivity E.I.T	Suncor Energy
E&I Engineer	Suncor Energy
Electrical Specialist	Syncrude
Engineer	Suncor Energy
Engineering Lead	Suncor Energy
Environment and Regulatory Advisor	Imperial Oil
Executive Vice-President, Corporate Development	Cenovus
Facility Engineer	Suncor Energy
Field Engineer	Suncor Energy
Geologist	Suncor Energy Inc
Geotechnical Technologies	Canadian Natural Resources
Heavy Equipment Technician	Suncor Energy
Heavy Equipment Operator	Suncor Energy
HEI	Imperial oil
HEO	CNRL Albian Sands
HSE	Fort McKay Group of Companies
I&C Engineer	Syncrude
Instrumentation Technician	Suncor Energy
Lead, Business Development and Stakeholder Relations	Canadian Natural Resources
Leader in Mine Maintenance and Technology	Suncor Energy
Logistics Supervisor	Suncor Energy
Maintenance Planner	Cenovus
Maintenance Planner	Inter Pipeline
Maintenance Scheduler	Cenovus Energy
Manager	Fort McKay Alcor
Manager - Long Term Projects	SECURE Energy
Manager Learning & Capability Mine Mobile Equipment Syncrude Assets	Suncor Energy
Manager of Surface Land and Stakeholder Relations, Mining	Canadian Natural Resources
Manager, Regulatory Services	Suncor Energy
Manager, Reliability and Maintenance	Connacher Oil and Gas Ltd
Manager, Reliability Engineering CBM Piping and Materials Engineering	Suncor Energy Inc
Manager/Development Leader - Energy Efficiency and Integration	Suncor Energy Inc
Mechanic	Suncor Energy
Mechanical EIT	Syncrude
Mechanical Engineer	Suncor Energy
Mechanical Planner	Cenovus
MEM Maintenance Manager	Suncor Energy
Mine Engineer	Suncor Energy
Mine Improvement Lead	Imperial
Mine Planning	Canadian Natural Resources
Mine Projects Manager	Imperial Oil
Mining Engineer	Suncor Energy
Operation Coordinator	Syncrude
Operations Director	CNRL Horizon of Albian Sands Building Maintenance & LVS
Operations Manager	Connacher Oil and Gas Ltd
Operations Production Manager	Suncor Energy
Operations Specialist	Suncor Energy

Key Job Roles

Operator / Process Operator	Syncrude
Ops Specialist Advisor	Syncrude
Outage Coordinator	Syncrude
Personnel Safety Management System Coach	Imperial Oil
Personnel Supervisor	Suncor Energy
Piping Engineer	Canadian Natural Resources
Process Engineer in Training	Syncrude
Production Planning Engineer	Canadian Natural Resources
Project Manager	Connacher Oil and Gas Ltd
Projects Manager	Suncor Energy
QA Inspector	Suncor Energy
QA Manager	Suncor Energy
QA Mechanical Inspector	Suncor Energy
QC Inspector	Suncor Energy
Quality Assurance Manager	Suncrude
Reclamation Scheduler	Suncor Energy Inc
Regulatory Planner	Suncor Energy
Reliability Engineer	Cenovus Energy
Reliability Supervisor	Suncor Energy Inc.
Reservoir Engineer	Canadian Natural Resources
Rotating Engineering Manager	Imperial Oil
RSO	Suncor Energy Inc.
Safety Lead	Suncrude
Safety Manager	Canadian Natural Resources
Sales Advisor	Canadian Natural Resources
Scheduler / Planner	Imperial Oil
Senior Advisor	Cenovus
Senior Advisor, Alcohol and Drug	Cenovus
Senior Advisor, Strategic Engagement	Suncor Energy
Senior Reliability Engineer	Cenovus
Senior Communications Advisor	Suncrude
Senior GeoT. Eng.	Suncor Energy
Senior Indigenous Business Development Leader and Mentor	Suncor Energy
Senior Maintenance Scheduler	Imperial
Senior Manager Business Development and Indigenous Relations	Cenovus Energy
Senior QA inspector	Fort McKay Group of Companies
Site Manager	Suncor Energy
Specialist Development Engineer- GHG Performance	Suncor Energy
Specialist E&I Engineer	Suncor Energy
Specialist Mechanical Senior Advisor	Suncor Energy
SR Electrical Inspector	Suncor BUP Projects
Sr Inspector	Suncor Energy
Sr Maintenance Planning Advisor	Suncor Energy
Sr. Indigenous Relations Advisor	Suncor Energy
Sr. Maintenance Eng.-Elec.	Suncor Energy Inc.
Sr. Maintenance Planner	Cenovus Energy
Stakeholder Relations Advisor	Canadian Natural Resources
Supervisor	Imperial Oil
Tailings operation specialist	Suncrude
Tailings Technical Team Leader	Suncrude
Team Lead	Canadian Natural Resources
Team Lead Supply Management	Canadian Natural Resources
Tech	Suncrude
Transportation Specialist	Suncor Energy
Trucks and Roads Planner	Suncor Energy
Vice President, Maintenance	Suncor Energy
VP Business Development	Imperial
VP HSEQ	Fort Mckay Group of companies
Welding General Foreman	Canadian Natural Resources

Are Oil Sands Operators Using Your Solutions Yet? Showcase Them Where It Matters Most

Types of Products/Services that Should Be Exhibiting:

Heavy Equipment & Machinery

- Earthmoving and construction machinery
- Equipment rentals and leasing services
- Mining and hauling equipment (trucks, shovels, loaders, dozers)
- Wear parts, tires, and undercarriage systems

Maintenance, Repair & Operations (MRO)

- Bearings, seals, and industrial parts
- Lubricants, coolants, and specialty fluids
- Portable machining and torqueing systems
- Pumps, valves, compressors, and motors
- Welding, machining, and fabrication services

Process, Plant & Facility Equipment

- Automation, AI, and digital twins
- Emissions reduction and energy efficiency technologies
- Instrumentation, measurement, and controls
- Plant processing technologies (separation, refining, upgrading)

Health, Safety & Environment (HSE)

- Environmental monitoring and remediation solutions
- Fire protection and suppression equipment
- Industrial cleaning and spill response
- Personal protective equipment (PPE), workwear, and safety gear
- Safety consulting, auditing, and training providers

Workforce, Training & Services

- Community and Indigenous business development groups
- Educational and research organizations
- Staffing and workforce management services
- Training institutions (apprenticeship, upskilling, Indigenous workforce programs)

Construction, Infrastructure & Camp Services

- Catering, logistics, and transportation providers
- Industrial construction and EPC companies
- Modular buildings, camps, and workforce housing
- Scaffolding, insulation, and site services

Energy, Fuels & Sustainability

- Biofuels, hydrogen, and alternative energy solutions
- Carbon capture, utilization, and storage (CCUS) providers
- Electrification and renewable integration technologies
- Water treatment, recycling, and management systems

Technology & Innovation

- Asset lifecycle management and predictive maintenance software
- Data analytics, digital platforms, and AI solutions
- Drones, sensors, and remote monitoring technologies
- Engineering design and simulation solutions

Suppliers & Industrial Services

- Industrial supply and distribution companies
- Logistics, trucking, and material handling services
- Specialized contractors for turnarounds and shutdowns
- Waste management and recycling solutions
